

## Beginner 10km programme

This programme is for you if you're new to running and would like to train for a 10km (6 mile) run. To make the most of this programme, you should be able to run/walk 5km (3 miles) in less than 40 minutes, and you may have already completed the beginner 5km programme.

One km is equivalent to 0.6 miles. For this training programme, distances in miles have been rounded to the nearest whole number for simplicity.
